## New Location

CTN Exhibitions Ltd have moved location from their original location in South Wales to a larger, more modern facility in Telford. The new building has 8500ft<sup>2</sup> of warehouse and offices which will allow CTN to offer their customers a greater range of products and faster delivery times to all the main exhibition centres.

## New Ownership

CTN is one of Europe's leading distributors of exhibition stand & display products including floor and wall coverings and an exciting range of new display materials. The company has recently completed a management buy-out and the expansion of the UK operation is the first implementation of an ongoing investment programme.

## New Logo

To enhance the new ownership CTN have launched a new corporate identity programme including a new logo which has been added to building signage, vehicle livery, staff uniforms and company correspondence.

However CTN have also been listening to customer needs and has been developing a range of new innovative products to give designers more options for their creative concepts.

These new products feature on the reverse of this newsletter.

## New Staff

CTN has recruited new staff in the sales and logistics departments and customers are already commenting on the increased professionalism of the company service and responsiveness.

All this investment now means that CTN can offer customers a comprehensive range of stock with a fast and responsive service from a team of dedicated industry professionals.

# CTN Added Value Package

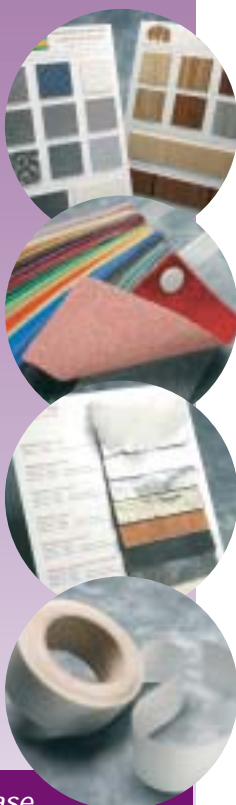

- **CTN Exhibitions** is part of the CTN Group, which is a major European distributor of exhibition products and has access to the widest range of products and materials, with the purchasing power to ensure cost effective pricing.
- Since the move to larger premises in Telford, CTN Exhibitions has quadrupled the stockholding, ensuring that products are available at short notice and backed up by European stocks.
- CTN can offer a cut to length service for carpets and other roll products, which can save you time and money.
- CTN has both their own transport fleet plus arrangements with quality carriers, which allows the fast delivery of products including same day deliveries.
- CTN recognises that Customer Service is the priority demanded by the exhibition and event industries and has recruited additional customer service staff plus logistics experts to meet and exceed these requirements.

## CTN Product Range

In addition to the high quality and competitively priced, floor and wall covering products stocked by CTN Exhibitions, the company uses its position as the leading European distributor to search out new and exciting products to enhance the design concepts of its customers. Some of the New Products now in stock in Telford include:

- New patterns in vinyl flooring products including Turbo Woodgrain, Bamboo, Carbon Fibre and Granite.
- 'Plat', a carpet range without a foam backing, which allows the used material to be shredded and recycled satisfying the environmental concerns of responsible companies
- 'Brusan' is a fantastic range of foil core products that can be easily shaped into three dimensional scenery or background objects and available in a wide range of colours, metallics and textures to satisfy virtually any scenario.
- Carpet Tape – CTN now have extensive stocks of NEC approved carpet tape.
